

# ISAAC MBANGIRE

## FRONT-END DEVELOPER

### PROFILE

As a passionate front-end developer, I thrive on creating seamless web applications that enhance user experiences. With a solid foundation in React.js, Next.js, Tailwind CSS, JavaScript, and HTML, Agile Programming, UI/UX design and Version control technologies. I've honed my skills through 3+ years of self-guided learning and hands-on projects. My commitment to clean code, attention to detail, and design sensibility drives me to build user-friendly interfaces that leave a lasting impact.

### WORK EXPERIENCE
